

## BAS Regatta

Saturday 25<sup>th</sup> February 2012

### General Information

This regatta is being conducted as a dress rehearsal for the following weekend's Head of the Lake regatta. This is not a Rowing Victoria regatta, rather the BAS Heads of Rowing in conjunction with the Ballarat Rowing Association have worked together to coordinate his event.

### Regatta program

There will not be an official program for this regatta.

Students are asked to read the following race timetable and boat allocation roster very carefully. With only four minute intervals between races, there is a high demand for boat sharing on the day. All crews must be aware of where they are to launch their boat from and where they are to return their boat to.

Crews must return their boats to the change-over area as soon as possible following their event in order to give the next crew sharing their boat the greatest amount of preparation time before their race.

### Student Uniforms

Students are to wear Ballarat & Clarendon College PE uniform to and from the regatta. This includes:

- School black shorts or track pants
- Red polo top or white rowing polo top
- School cap or rowing cap

Whilst racing ALL students must wear the school rowing uniform and all crew members must be dressed uniformly. This is a Rowing Victoria requirement. Failure to do so will result in the crew being removed from the event.

### Spectators

Ballarat Clarendon College has been allocated an area on the end of the "spit" for spectators for the Head of the Lake regatta. Although there are no such allocations for this weekend, the 1920 Club will be setting up the school flags in this location as a rehearsal for next week. Please feel free to join the Clarendon supporters at this location.
