To help make the house a pleasant place in which to both live and work for our male and female staff, a dressing gown or similar (with tie to secure front of garment) must be worn when moving between the shower and the room, regardless of how close the room is to these facilities.

Please Note

All clothing, shoes and linen must be clearly marked with the boarder's full name (not just initials). This is most important as clothing is frequently mislaid and, because it is unmarked, cannot be claimed by the rightful owner. At the end of each term and the end of the year, it is the school's policy to donate marked, unclaimed clothing to charitable organisations.
