LOCATION

Ballarat is a picturesque regional city of over 100,000 people located 110 kilometres west of Melbourne, and is a living museum of the gold rush period in Australia. Beautiful buildings, gardens, fountains, monuments and sculptures enhance the wide tree-lined streets. Features of "small town" living in Australia are friendly and personable locals and a peaceful atmosphere.

Ballarat has a temperate climate with warm summers, cool temperatures in winter and mild autumns and springs. The air is clear with no pollution.

Although Ballarat is a historic town, its contemporary heart is alive with retail options, restaurants and cafes, accessible community services, beautiful heritage, and a great lifestyle for all. It is home to one of Victoria's famous tourist attractions, Sovereign Hill, and features superb botanical gardens, art galleries and theatres. As a large regional city it has two hospitals providing world class medical care. There are also two tertiary institutions, Federation University and the Australian Catholic University.

Ballarat is just a one-hour drive from Melbourne and is also connected by train and coach services. Regular daily train services are available to Melbourne and most country centres. There are bus services Monday to Saturday throughout the Ballarat area including a bus that runs along Sturt Street at the front of the College. Tullamarine Transit provides transport to Melbourne International Airport

CURRICULUM

In order for students to make optimum progress, the most important resource is the quality of teaching. Ballarat Clarendon College subscribes to this belief and is committed to continuous improvement in teaching practice. This approach enables the College to achieve some of the best results nationally. Further information about the College's outstanding academic results is available at <http://www.clarendon.vic.edu.au/about-clarendon/results/>

The School offers the Victorian Certificate of Education (VCE) which is a two-year course, spanning Years 11 and 12. VCE Units 1 and 2 are studied in Year 11 and Units 3 & 4 are studied in Year 12. Many students elect to undertake VCE Units 3 and 4 in Year 11, enabling them to obtain extra marks for their tertiary entrance. Over 40 subjects are offered in the areas of English, Mathematics, Science, Commerce and Humanities. This range enables all students' access to tertiary education with approximately 98% of students being offered University places.

Some VET subjects are also offered at Years 10, 11 and 12.

In some instances, students may be eligible for credits for semester units completed in their home countries when entering Years 11 or 12.

Students in Years Seven to Ten complete a more general course with emphasis on literacy and numeracy

APPLICATION FOR ENROLMENT

Before we can accept an application from a student from overseas we need to have some information about them.

English Testing

An English ability test is required for assessment for entry and the AEAS test is used for this purpose.

There are various test centres which are listed on the AEAS website www.aeas.com.au.

The results of this test will be sent to us with a recommendation of what entry level is most appropriate and how many weeks' study of an intensive English language course is required prior to commencement of studies. The length of the course can vary from 10 to 20 weeks, depending on English ability. Some students may not need to undertake the course. Clarendon requires any ELICOS course to be undertaken at Avalon College in Lara just outside of Geelong. Further details about study at Avalon are available at <http://www.avaloncollege.vic.edu.au>

Entry to the School will be conditional upon the student completing their ELICOS course and obtaining a standard of English sufficient for them to enter the year level offered.

Students who have not reached the required standard may not be able to commence at the School or may need to spend further time at Avalon College. Reports from the language school will be taken into account when assessing entry at this time.

Entry Levels

The School is registered to enrol international students from Years 5 to 12 (Boarding Years 7 to 12). The major intakes are at Years 9 and 10 with Year 9 preferred as this enables a student to settle into the College, consolidate their English language skills and catch up on any shortcomings in the subjects they might intend to pursue in VCE.

The College does not accept enrolments into Year 12.

Enrolment Process

In the first instance a student should register using the registration form on the [website](#). Once this form along with the necessary documentation, registration fee and AEAS Test report have been received the College will issue a Letter of Offer requesting –

- Acceptance of Offer to be completed
- Notarised translation of most recent school report
- Parent Representative Arrangements
- Payment of monies detailed in the letter of offer. These include the prepaid first study period tuition and boarding fees, administration fee, enrolment deposit, overseas health cover and capital loan scheme contribution. All fees must be paid in Australian dollars.

Once documentation and funds are received and parent representative arrangements are in place, the School will issue –

- The Confirmation of Enrolment Form (CoE)
- The Education Provider's Confirmation of Appropriate Accommodation/Welfare letter (CAAW), if required

These documents are necessary to apply for a student visa.

REFUND POLICY

1. The registration and administration fees and enrolment deposit are not refundable.

2. Overseas student health cover will be refunded in full if not already paid by the School to the Health Fund on behalf of the student.
3. Refunds will be reimbursed in Australian dollars and the payment sent to the applicant's home country unless otherwise requested. Refunds will be paid to the person(s) who executed the Application for Registration and the Confirmation of Enrolment.
4. The School will refund within 28 days all monies paid except the amounts stated in Clause 1 above in the event that the student's visa application is rejected by the Australian immigration authorities and the student or his parent can produce evidence to this effect.
5. The School will refund within 28 days all unexpended monies paid except the amounts stated in Clause 1 above in the event it is determined by the School prior to commencement that the student is unable to commence at the School.
6. The School agrees to refund within 28 days of the receipt of written notice of cancellation by the parent or student prior to commencement, the tuition fees, fixed charge and boarding fee, if applicable, paid by or on behalf of the student less the amounts retained as detailed below -
 - 6.1 if the notice of cancellation is received four months prior to commencement date for the School year, the School shall retain \$AUD500;
 - 6.2 if the notice of cancellation is received two months prior to the commencement date for the School year, the School shall retain \$AUD1,250;
 - 6.3 if the notice of cancellation is received one month prior to the commencement date for the School year, the School shall retain \$AUD2,500.
 - 6.4 no tuition fees, fixed charge or boarding fee will be refunded if notice of cancellation is received within one month of the commencement of the School year.
 - 6.5 this Refund Agreement and the availability of the complaints and appeal processes does not remove the right of the student to take action under Australia's consumer protection laws.

MEMBERSHIP OF THE SCHOOL COMMUNITY

International students automatically become active members of the School community. There are rules and regulations necessary for order and discipline:

- Students, in their work and co-curricular activities, are expected to contribute to the welfare of the School particularly, they are required:

- to participate in School activities and to play for School teams when selected;
 - attend camps, to go on excursions and to participate in any other activities which form part of the School's program.
- Students are not permitted to leave the School before the end of each term until the published closing date. Students returning to the School after holidays must join their classes on the dates fixed for resuming.
 - School uniform must be worn.
 - College is a Uniting Church school, but welcomes students of all faiths. Students are required to participate in the religious life of the School.
 - A condition of entry to the School is that parents or legal guardians agree to abide by the regulations of the School.
 - In the event of any accident or illness to a student at the School or while participating in any school activity and the parent/s or parent representative/s cannot be contacted, the parent/s hereby specifically authorize the School to arrange for all necessary immediate medical treatment and/or hospitalisation and to consent to any operative treatment including general or local anaesthetic.

CARE AND SUPPORT

To assist international students with settling in, we have a well-developed program of support services.

- The International Student Coordinator has specific responsibility for international student welfare.
- Academic progress and attendance is monitored by the International Student Coordinator in conjunction with appropriate Head of School and subject teachers.
- School Counsellors, and the College's Career Guidance Agency, Regan Consulting provide support in personal development, grievances, study requirements, course planning, supply of educational information and application for university study.
- The Registrar assists with documentation for student visas, passport renewal, parent representatives and health cover.
- The School nurses assist with medical issues.

Regular meetings are held with the International Student Coordinator to discuss issues relating to international students.

Orientation is held prior to entry when students are introduced to key members of staff responsible for their welfare during their stay at the School and they also tour the College and the local area. These sessions help with transition into the School.

HEALTH COVER

The Australian Government requires all international students to have medical insurance cover. The School will arrange this cover for the duration of your course and will request payment upon confirmation.

PARENT REPRESENTATIVE AND ACCOMMODATION

If students under the age of 18 are not living with a parent or suitable nominated relative, then the School will ensure the welfare of the student. An Education Provider's Confirmation of Appropriate Accommodation/Welfare Letter (CAAW) will be issued through DIAC and will state the period for which the School will take this responsibility.

The International Student Coordinator, Heads of Boarding and the appropriate Head of School will monitor the safety and well-being of the students while they are at College. However, all students, irrespective of age, are required to have a parent representative during their stay at College

All international students not living with direct family member will live in one of the College Boarding Houses. To be eligible to reside in a boarding house, a student must be 13 years of age by the 1st of March in the year of commencement.

Parent Representative

All international students not living with a parent during their enrolment at Clarendon must have a parent representative who is over the age of 21 years and living in Victoria. If the parent representative is not an Australian citizen, they must hold a valid Australian Visa.

There are three acceptable categories of parent representative –

1. Students may have a relative in Victoria who is able to fulfil this role. If the parents are nominating a family member as parent representative, this person must be over 21 years of age and the parents must provide his/her full name, address, email and contact

numbers. They must also provide evidence that the relative is a blood relation.

2. If parents wish to appoint a family friend as parent representative, this person must be over the age of 21 years and living in Victoria. The School will request the parents to complete a form formally appointing the parent representative and providing the full name, address, email and contact numbers of that person. The appointed parent representative will be required to sign an appointment form which sets out the expected duties of the parent representative. A Working with Children Check and Police Check will also be required. An interview will be made to meet the parent representative prior to approval by the School and a home inspection will be required.
3. A parent representative can be arranged by the School in all other circumstances.

Expectations of a Parent Representative

Parent representatives are expected to oversee–

- acting as first contact for urgent medical treatment for the student
- liaising with parents of the student
- provide transport and accommodation during school holidays and exeats weekends, and other occasions when accommodation is required (eg, ill health).
- advising the parents and School within 7 days of any change in parent representative or the contact details of parent representative/student.

Accommodation

There are two accommodation options to the students –

1. Students may live with a parent or suitable nominated relative.
2. Students may live in one of the Boarding Houses.

A student is obliged to give prior notification to the College of a change of living arrangements, address, or contact details.

If a student fails to maintain the School's approved welfare and accommodation arrangements, the School may cancel the student's enrolment.

TRANSFERRING TO ANOTHER PROVIDER

International students are restricted from transferring from their principal course of study for a period of six months. This restriction also applies to any course packaged with their principal course of study.

Students can, however, apply for a letter of release from their original provider to enable them to transfer to another education provider.

College will facilitate a transfer from another registered provider if:

- The original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered.
- It is considered by College that it is in the best interests of the student to grant the transfer.
- The original registered provider has provided a written letter of release.
- Written evidence that the student's parent/s/ or legal guardian supports the transfer.

A letter of release will be provided by the School if:

- A written offer from another registered provider has been sighted.
- Written confirmation that the new provider will accept responsibility for approving the student's accommodation, support, and general welfare arrangements if he is under the age of 18 years.

The School will not provide a letter of release to students in the first six months of their principal course in the following circumstances: -

- The student's progress is likely to be academically disadvantaged.
- The School is concerned that the student's application to transfer is a consequence of the adverse influence of another party.

All applications for transfer will be considered within 10 working days and the applicant notified of the decision.

Excluded students must abide by the conditions of their exclusion from studies which will depend on the welfare and accommodation arrangements in place for each student and which will be determined by the Principal.

- If students access Ballarat Clarendon College’s complaints and appeals process regarding a school initiated suspension, where the suspension is recorded in PRISMS, or cancellation, the suspension or cancellation will not be reported in PRISMS until the internal complaints and appeals process is finalised, unless extenuating circumstances relating to the welfare of the student apply.
- Extenuating circumstances include:

- The final decision for evaluating extenuating circumstances lies with the Principal or his delegate.

COMPLAINTS AND APPEALS

The purpose of Ballarat Clarendon College’s Complaints and Appeals Policy is to provide a student or parent(s)/legal guardian with the opportunity to access procedures to facilitate the resolution of a dispute or complaint. These internal procedures are a conciliatory and non-legal process.

Grievances brought by a student against another student will be dealt with under the College's Behaviour Policy.

Lodging a complaint

- The formal complaints process will commence within 10 working days of the date of lodgement of the complaint with the relevant Head of School or International Student Coordinator.

- The School will immediately implement the decision and any corrective and preventative action required.
- If the complaints procedure does not find in favour of the student, they will be advised that they have a right of appeal at no cost through an independent external appeal avenue. If the student wishes to take this course, they can contact the Overseas Student Ombudsman at www.oso.gov.au or phone 1300 362 072.
- The School undertakes to finalise all internal grievance procedures within 20 working days.
- For the duration of the internal appeals process, the student is required to maintain enrolment and attendance at all classes as normal, unless extenuating circumstances prevail.

GOVERNMENT LEGISLATIVE RESPONSIBILITIES

ESOS FRAMEWORK

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework, and include the *Education Services for Overseas (ESOS) Act 2000* and the National Code.

PROTECTION FOR OVERSEAS STUDENTS

Overseas students on student visas must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at <http://cricos.dest.gov.au>. CRICOS registration guarantees that course and education providers meet the high standards necessary for overseas students. Students should check carefully that the details of a course – including its location – match the information on CRICOS.

STUDENTS' RIGHTS

The ESOS framework protects students' rights, including:

- Their right to receive, before enrolling, current and accurate information about the courses, fees, modes of study and other information from the provider and provider's agent. If students are under 18, to ensure their safety they will be granted a visa only if there are arrangements in place for their accommodation, support and welfare.
- Their right to sign a written agreement with the provider before or as fees are paid, setting out the services to be provided, fees payable and information about refunds of course money. Students should keep a copy of the Written Agreement.
- Their right to receive the education they paid for. The ESOS framework includes consumer protection that will allow them to receive a refund or to be placed in another course if the provider is unable to teach their course.
- The students' right to know:
 - how to use the provider's student support services
 - who the contact officer or officers are for overseas students
 - if students can apply for course credit when enrolment can be deferred, suspended or cancelled
 - what the provider's requirements are for satisfactory progress in the courses students study
 - if attendance will be monitored for those courses

- at will happen if the student wishes to change providers; and
- how to use the provider’s complaints and appeals process.

STUDENTS’ RESPONSIBILITIES

As overseas students on student visas, students have responsibilities to:

- satisfy student visa conditions
- maintain Overseas Student Health Cover (OSHC) for the period of their stay
- meet the terms of the Written Agreement with the provider
- inform the provider if the student changes address;
- maintain satisfactory course progress;
- if attendance is recorded for the course, follow the provider’s attendance policy; and
- if the student is under 18, maintain approved accommodation, support and general welfare arrangements.
