Beautiful buildings, gardens, fountains, monuments and sculptures enhance the wide tree-lined streets. Features of "small town" living in Australia are friendly and personable locals and a peaceful atmosphere.

Ballarat has a temperate climate with warm summers, cool temperatures in winter and mild autumns and springs. The air is clear with no pollution.

Curriculum

In order for students to make optimum progress, the most important resource is the quality of teaching. Ballarat Clarendon College subscribes to this belief and is committed to continuous improvement in teaching practice. This approach enables Clarendon to achieve some of the best results nationally. Further information about the school’s outstanding academic results is available at www.clarendon.vic.edu.au/about-clarendon/results/

Ballarat Clarendon College offers the Victorian Certificate of Education (VCE) which is a two-year course, spanning Years 11 and 12. VCE Units 1 and 2 are studied in Year 11 and Units 3 & 4 are studied in Year 12. Many students elect to undertake VCE Units 3 and 4 in Year 11, enabling them to obtain extra marks for their tertiary entrance. Over 40 subjects are offered in the areas of English, Mathematics, Science, Commerce and Humanities. This range enables all students’ access to tertiary education with approximately 98% of students being offered University places.

In some instances, students may be eligible for credits for semester units completed in their home countries when entering Years 11 or 12.

Students in Years 7 to 10 complete a more general course with an emphasis on literacy and numeracy.

course information

Ballarat Clarendon College is a day and boarding school.

Mode of Study

Students are required to attend course(s) face-to-face in school facilities on campus.

Depending on course components, a student's course may also include study off campus, such as:

- Approved excursions or field trips appropriate to course.
- Outdoor education activities, including Year 9 residential program on King Island.
- Approved studies that contribute to a student's enrolled course but are delivered by another approved provider. This can only be provided by Victorian School of Languages (VSL) and must be approved by the school prior to commencement.

The course progress of all students will be assessed on a regular basis throughout the term. Formal Assessments are completed at the end of each semester. Students are required to attend school from Monday to Friday during the school term.

*** Please refer to Ballarat Clarendon College Courses from External Providers Policy**

English as an Additional Language (EAL)

Students are advised to visit the following website and download the current VCE and VCAL Administrative Handbook, via the search window <https://www.vcaa.vic.edu.au>

The Administrative Handbook states the following:

Students from a non-English-speaking background

Enrolment in EAL is available only to students who have approved EAL status. A student may be eligible for EAL status if:

- they have been a resident in Australia or New Zealand or other predominantly English-speaking country for no more than seven years (and they have not arrived after 1 January 2012) or they are a student of Aboriginal or Torres Strait Islander descent whose first language is not English. (Note: The period of seven years is to be calculated cumulatively over the student's whole life. The calculation of time spent in Australia is made from the date of last arrival plus any previous periods of time spent in Australia or any predominantly English-speaking country. Time spent out of Australia during school vacations should be included in the accumulation towards the seven years because there would have been no disruption to education during these periods.)
- English has been the student's major language of instruction for a total period of not more than seven years over the period of their education.

English Language Proficiency and Academic Requirements

Ballarat Clarendon College requires evidence that the applicant's academic ability and English proficiency is sufficient to successfully meet the entry and curriculum demands of the intended course. This is a requirement under the 2018 National Code of Practice, Part B, Standard 2.

An English ability test is required for assessment for entry and the AEAS test is used for this purpose. There are various test centres which are listed on the AEAS website www.aeas.com.au.

All students are required to submit Current School Reports (in English) and AEAS results with their application. The AEAS test provides an independent assessment of students' actual abilities in English language proficiency, Mathematical reasoning and General ability.

Ballarat Clarendon College requires students to have the following English language proficiency. AEAS results recommending a maximum of 20 weeks of English, minimum Stanine scores of 4 and above for Non-verbal General Ability, and Mathematics Reasoning Ability, and a minimum overall score of 30 for the English Assessment.

Owner: Head of Admissions	Approved: Principal	International Students Admissions Handbook	
Date Created: 1 Aug 2019	Last Review: 12 Sep 2019	Next review: 12 Sep 2020	Page 6 of 22

Before offering a place Ballarat Clarendon College checks English language proficiency in accordance with its documented procedures.

Students should note that if their language proficiency is below that outlined above, they may be required to undertake an English Language Intensive Course for Overseas Students (ELICOS) before applying.

Ballarat Clarendon College requires any ELICOS to be undertaken at Avalon College in Lara just outside of Geelong. Further details about study at Avalon are available at www.avaloncollege.vic.edu.au.

If undertaking ELICOS before beginning mainstream studies, English language proficiency will be reassessed at the conclusion of the language course to ensure the student's level of proficiency is sufficient to allow them to commence their mainstream course.

Students who have not reached the required standard may not be able to commence at the School or may need to spend further time at Avalon College. Reports from the language school will be considered when assessing entry at this time.

*** Please refer to Ballarat Clarendon College International Student Entry Requirements**

Entry Levels

Clarendon is registered to enrol international students from Years 5 to 12 (Boarding Years 7 to 12). The major intakes are at Years 9 and 10 with Year 9 preferred as this enables a student to settle into Clarendon, consolidate their English language skills and catch up on any shortcomings in the subjects they might intend to pursue in VCE.

The College does not accept new enrolments into Year 12.

School Fees

The Schedule of Fees International Students Notice is available on the school website. Students and Parents are reminded that fees are likely to increase annually during the student's time in the School and the School reserves the right to increase fees during the year. To assist international students with settling in, we have a well-developed program of support services.

Health Cover

The Australian Government requires all international students to have medical insurance cover. The School will arrange this cover with Medibank Private for the duration of the course and will request payment upon confirmation.

term dates

Term Dates are available on the school intranet site, connect@clarendon and in the school diary.

parent representative, accommodation and welfare

If students under the age of 18 are not living with a parent or suitable nominated relative, then the school will ensure the welfare of the student. An Education Provider's Confirmation of Appropriate Accommodation/Welfare Letter (CAAW) will be issued through Department of Home Affairs and will state the period for which the School will take this responsibility.

The International Students Coordinator, Heads of Boarding and the appropriate Head of School will monitor the safety and well-being of the students while they are at College. However, all students, irrespective of age, are required to have a parent representative during their stay at College.

All international students not living with direct family member will live in one of the schools Boarding Houses. To be eligible to reside in a boarding house, a student must be 13 years of age by the 1 of March in the year of commencement.

Parent Representative

All international students not living with a parent during their enrolment at Clarendon must have a parent representative who is over the age of 21 years and living in Victoria. If the parent representative is not an Australian citizen, they must hold a valid Australian Visa.

In the event we have concerns with your child staying their Parent Representatives, the school reserves the right to make alternative arrangements for your child during Exeat weekends and school holidays.

There are three acceptable categories of parent representative –

- **Relative in Victoria**
Students may have a relative in Victoria who is able to fulfil this role. If the parents are nominating a family member as Parent Representative, this person must be over 21 years of age and the parents must provide his/her full name, address, email and contact numbers. They must also provide evidence that the relative is a blood relation.
- **Family Friend**
If parents wish to appoint a family friend as Parent Representative, this person must be over the age of 21 years and living in Victoria. Clarendon will request the parents to complete a form formally appointing the Parent Representative and providing the full name, address, email and contact numbers of that person. The appointed Parent Representative will be required to sign an appointment form which sets out the expected duties of the Parent Representative. A Working with Children Check will also be required for the Parent Representative and any residents over the age of 18 living in the same dwelling. An interview will be made to meet the Parent Representative prior to approval by Clarendon and a home inspection will be required.
- **Parent Representative**
A Parent Representative can be arranged by Ballarat Clarendon College in all other circumstances.

Expectations of a Parent Representative

Parent representatives are expected to provide transport and accommodation during school holidays and exeat weekends, and other occasions when accommodation may be required (eg, ill health).

If there is any change to the parent representative or their details, parents must notify the school within 7 days of any change.

Accommodation and Welfare

Where students under the age of 18 are not being cared for in Australia by a parent or suitable nominated relative, the school will ensure that the arrangements made to protect the personal safety and social well-being of those students are appropriate.

Ballarat Clarendon College is compliant with the Victorian Child Safe Standards and will ensure that all the arrangements to provide appropriate accommodation, support and general welfare for the student, including any service provision by third parties, meet the Child Safe Standards.

Where Ballarat Clarendon College has issued a CAAW, Ballarat Clarendon College will not delegate, outsource or contract out the responsibility for approving the accommodation, support and general welfare arrangements for a student who is under the age of 18.

When Ballarat Clarendon College accepts responsibility for the welfare arrangements of an overseas student under the age of 18, a CAAW letter is created at the same time as a Confirmation of Enrolment (CoE).

Ballarat Clarendon College signs a CAAW to confirm they are placing an overseas student into boarding arrangements they consider suitable.

Ballarat Clarendon College is not taking over legal responsibility for the overseas student under the age of 18. The parent or person who has custody of the overseas student is at all times legally responsible for the student.

Ballarat Clarendon College nominates the beginning and end dates of the period for which they are willing to accept responsibility for approving accommodation, support and welfare arrangements for an overseas student under the age of 18. These nominated dates must cover the length of the CoE plus seven days at the end.

The minimum age for enrolment of an overseas student in boarding accommodation is 13. Ballarat Clarendon College will not enter an agreement or arrangement for the provision of boarding accommodation to an overseas student, or issue a CAAW letter to the Department of Home Affairs in circumstances where accommodation will be provided to an overseas student unless Ballarat Clarendon College is satisfied that the student will be at least 13 years of age at the time of commencing the boarding accommodation.

The school will advise students who are issued with a CAAW (Confirmation of Appropriate Accommodation/Welfare Arrangements) that they may not travel to Australia before the nominated Welfare Start Date.

A student is obliged to give prior notification to the school of a change of living arrangements, address, or contact details within 7 days.

If a student fails to maintain the school's approved welfare and accommodation arrangements, the School may cancel the student's enrolment.

Should a student accumulate significant unapproved absences in any unit Head of School may convene a meeting with the student and the student's parents or guardians

Failure to reduce unapproved absences will result in an at risk letter being issued.

Where a student fails to meet the attendance requirements over a number of units, they will be required to appear before the Head of School or Principal where their enrolment at Ballarat Clarendon College will be reviewed.

Student Progress and Promotion

Ballarat Clarendon College has established a support program for students who appear to be in making insufficient progress and, therefore, in danger of not satisfying the criteria for promotion. If non-promotion appears to be a possibility the relevant pastoral carer will contact parents or guardians to agree on a program of support and to assist the student in improving his/her performance.

Owner: Head of Admissions	Approved: Principal	International Students Admissions Handbook	
Date Created: 1 Aug 2019	Last Review: 12 Sep 2019	Next review: 12 Sep 2020	Page 13 of 22

Students in special programs are not subject to the same criteria for promotion as other students. The Principal and Head of School have the discretion to waive the promotion requirements in individual cases where it is considered appropriate.

The Minimum Requirements for Promotion

Year Levels	Normal Student Program	Minimum Indicators of Promotion to Next Year
Prep	7 subjects per semester	Adequate reading skills required to access the curriculum – progress determined in conjunction with Head of School.
Years 1–4	7 subjects per semester	More than one A-C grade per semester.
Years 5–6	6 subjects per semester	More than one A-C grade per semester in English, Maths, History and/or Science.
Years 7–9	7 subjects per semester	More than one A-C grade per semester in English, Maths, History and/or Science.
Years 11–12	6 subjects per semester	More than 4 A-C grades per semester; no more than 5 Ns each semester

Students who meet the promotion guidelines for semester are considered to have passed the semester, receiving a Satisfactory completion. It is expected that students at Years 10 and 11 wishing to continue an optional subject in the following year will obtain a grade of C or above and a Management of Learning indicator average of S as a prerequisite to enter into that subject.

Students satisfying the criteria for promotion but not obtaining a grade of C or above in English/Literacy and/or Mathematics/Numeracy may also be recommended for a review of their promotional status following consideration of their overall performance.

Heads of School, in conjunction with the Head of Intervention, will determine, through applying the semester grade standards, whether adequate progress is being made. Where adequate progress is not being made, they will meet with the student, Head of Intervention and parent/guardians in order to determine the support required to successfully complete the course.

*** Please refer to Ballarat Clarendon College Progress and Promotion Policy**

Completion Within Expected Duration of Study (Course Progression)

Part of the assessment of the course progress at the end of each semester will include an assessment of whether the student's progress is such that they are expected to complete their course within the duration of the course.

The school will only extend the duration of the student's study if the student will not complete their course in the expected duration due to:

- compassionate or compelling circumstances.
- student participation in an intervention strategy as outlined in 1(e).
- an approved deferment or suspension of study has been granted in accordance with School's Deferment, Suspension and Cancellation Policy.

Where the school decides to extend the duration of the student's study, the school will report via PRISMS and/or issue a new Confirmation of Enrolment Form, if required.

Where the school decides to extend the duration of the student's study, the school will advise the student to contact Immigration to seek advice on any potential impacts on their visa, including the need to obtain a new visa.

- inform the student in writing of that intention and the reasons for do so.
- inform the student to contact Immigration to seek advice on any potential impacts on their visa, including the need to obtain a new visa.
- report the change to the overseas student's enrolment in PRISMS within 30 days.

- major political upheaval or natural disaster in the home country requiring emergency travel that has impacted on the studies;
- a traumatic experience which has impacted on the student (this should be if possible supported by police or psychologist reports).

- major political upheaval or natural disaster in the home country requiring emergency travel that has impacted on studies; and
- a traumatic experience which has impacted on the student (these cases should be where possible supported by police or psychologists' reports).

The period of suspension will not be included in attendance calculations. The final decision for assessing and granting a suspension of studies lies with the Principal or his delegate.

Exclusion from Class

Ballarat Clarendon College may exclude a student from studies on the grounds of misbehaviour by a student in accordance with the Clarendon's Behaviour Policy.

Excluded students must abide by the conditions of their exclusion from studies which will depend on the welfare and accommodation arrangements in place for each student and which will be determined by the Principal.

Where the student is provided with homework or other studies for the period of the exclusion, the student must continue to meet all academic requirements.

Exclusions from class will not be recorded on PRISMS nor included in attendance calculations.

Suspended students must abide by the conditions of their suspension from studies which will depend on the welfare and accommodation arrangements in place for each student and which will be determined by the Principal in writing.

Where the student is provided with homework or other studies for the period of the suspension, the student must continue to meet all academic requirements.

Suspensions from class will be recorded on PRISMS but will not be included in attendance calculations.

Cancellation of Enrolment

Ballarat Clarendon College will cancel the enrolment of a student under the following conditions:

- Failure to pay course fees.
- Failure to maintain approved welfare and accommodation arrangements (visa condition 8532).
- Any behaviour identified as resulting in cancellation in Ballarat Clarendon College's Behaviour Policy.

If the School has accepted welfare responsibility and if the school suspends or cancels the student's enrolment, the school will continue to check the suitability of arrangements until such time as the student is accepted by another institution, the student leaves Australia, other suitable arrangements are made that satisfy the Migration Regulations or the School reports to Department of Home Affairs that it can no longer approve of the arrangements for the student.

Before a suspension or cancellation is imposed the College will:

- Inform the overseas student of the suspension and reason for doing so, in writing
- Advise the overseas student of their right to appeal through our complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days.

Complaints and Appeals over Deferment, Suspension and Cancellation

- Student requested deferment and suspension are subject to Ballarat Clarendon College's Complaints and Appeals Policy.
- Exclusion from class is subject to Ballarat Clarendon College's Complaints and Appeals Policy.
- School initiated suspension, where the suspension is to be recorded in PRISMS, and cancellation, are subject to Ballarat Clarendon College's Complaints and Appeals Policy.
- For the duration of the internal appeals process, the student is required to maintain their enrolment and attendance at all classes as normal. The Principal will determine if participation in studies will be in class or under a supervised arrangement outside of classes.
- If students access Ballarat Clarendon College's complaints and appeals process regarding a school-initiated suspension, where the suspension is recorded in PRISMS, or cancellation, the suspension or cancellation will not be reported in PRISMS until the internal complaints and appeals process is finalised, unless extenuating circumstances relating to the welfare of the student apply.
- Extenuating circumstances include:
 - the student refuses to maintain approved welfare and accommodation (for students under 18 years of age);
 - the student is missing;
 - the student has medical concerns or severe depression or psychological issues which lead the school to fear for the student's wellbeing; or
 - the student has engaged or threatened to engage in behaviour that is reasonably believed to endanger the student or others, is at risk of committing a criminal offence, or the student is the subject of investigation relating to criminal matters
- The use of extenuating circumstances by Ballarat Clarendon College to suspend or cancel a student's enrolment prior to the completion of any complaints and appeals process will be supported by the appropriate evidence.

- The final decision for evaluating extenuating circumstances lies with the Principal or his delegate.

complaints and appeals

The purpose of Ballarat Clarendon College’s Complaints and Appeals Policy is to provide a student or parent(s)/legal guardian with the opportunity to access procedures to facilitate the resolution of a dispute or complaint. These internal procedures are a conciliatory and non-legal process.

Grievances brought by a student against another student will be dealt with under the College’s Behaviour Policy.

Lodging a Complaint

If a student is not satisfied with any Clarendon decision affecting them:

- We ask that, where appropriate, they first raise the matter directly with the relevant staff member.
- If that is not appropriate or the issue has not been addressed to their satisfaction, they should put their concern in writing to the Complaints Manager, complaints@clarendon.vic.edu.au.
- If they have been unable to resolve a matter informally, or simply wish to make a formal complaint they can do so by any of the following means:
 - Sending an email to complaints@clarendon.vic.edu.au.
 - Writing a letter to the College addressed to “The Complaints Manager”.
 - Telephoning the College and asking to speak to your child’s Head of School.
- The Complaints Manager will begin assessing a complaint within 10 working days of the overseas student lodging it, and finalise the outcome as soon as possible.
- Complaints will be treated in confidence and with respect.
- Students have the right to be supported by another person at these meetings if they wish.
- The student will be informed in writing of the outcome and the reasons for the outcome.
- The School will immediately implement the decision and any corrective and preventative action required.
- The overseas student has 20 working days to lodge a complaint or appeal with the school through the provider’s internal complaints and appeals process.
- For the duration of the internal appeals process, the student is required to maintain enrolment and attendance at all classes as normal, unless extenuating circumstances prevail.

Appeals Panel

If a formal complaint received by, or related to, an overseas student cannot be resolved by the Complaints Manager, it may, at the request of the complainant, be escalated to an Appeals Panel.

An Appeals Panel will be assembled as needed, and will be made up of a minimum of three members who have the requisite independence from the issue at hand to address the appeal on its merits, in an equitable, impartial, objective and unbiased manner. Staff who hold the following positions are eligible to sit on the Appeals Panel:

- the Principal;
- Deputy Principal;
- Heads of School;
- House Teachers/Learning Mentors;
- Heads of Boarding; and
- Business Manager (Finance)

The make-up of the Appeals Panel will be determined by the Principal on a case-by-case basis, depending on availability and the nature and complexity of the complaint to be considered.

Where the matter is escalated to an Appeals Panel, the Panel aims to resolve the complaint within 28 days from the date of referral and, in any event, no later than 42 days after the original complaint was received.

Where the overseas student is not successful in the Clarendon complaints and appeals processes, the school must advise the overseas student of their right to access an external complaints handling and appeals process at minimal or no cost. The advice must be given to the overseas student within 10 working days of the completion of the internal review.

External Dispute Resolution

National Code Standard 10 requires the school to have arrangements in place for an external dispute resolution provider to hear complaints or appeals from overseas students arising from our internal complaints and appeals process. It does not prescribe the process of the external appeal, but highlights that a school may use different processes for different types of complaints.

Examples of an external or independent body or person that could be used include:

- private conciliators or dispute resolution counsellors;
- a complaints and appeal body established by a peak industry body;
- representatives of Commonwealth and State or Territory government departments including the Office of the Training Advocate; and
- Commonwealth and State or Territory offices of the Ombudsman may be the appropriate body for a public provider.

It is our policy that when we need to implement an external resolution process for an overseas student, we do so having regard to the nature of the complaint.

Where an agreement or resolution cannot be reached, the school nominates: **Overseas Student Ombudsman (OSO)**

The OSO investigates complaints about problems that overseas students or intending overseas students may have with private education and training in Australia.

The contact details for the OSO are as follows:

government legislative responsibilities

ESOS Framework

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework, and include the *Education Services for Overseas (ESOS) Act 2000* and the National Code.

Protection for Overseas Students

Overseas students on student visas must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at www.cricos.education.gov.au. CRICOS registration guarantees that course and education providers meet the high standards necessary for overseas students. Students should check carefully that the details of a course – including its location – match the information on CRICOS.

Tuition Protection Service (TPS)

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:

- complete their studies in another course or with another education provider or,
- receive a refund of their unspent tuition fees.

Australia has a well-established international education sector with over 1200 education providers delivering a high-quality education to international students. For many years now, Australia has been a world leader in protecting the tuition fees of international students studying in Australia on a student visa. Recent changes to the Education Services for Overseas Students (ESOS) Act have further strengthened protections for international students through the introduction of the Tuition Protection Service (TPS). In the unlikely event your education provider is unable to deliver a course you have paid for and does not meet their obligations to either offer you an alternative course that you accept or pay you a refund of your unspent prepaid tuition fees (this is called a provider's 'default obligations'), the TPS will assist you in finding an alternative course or to get a refund if a suitable alternative is not found.

Students' Rights

The ESOS framework protects students' rights, including:

- Their right to receive, before enrolling, current and accurate information about the courses, fees, modes of study and other information from the provider and provider's agent. If students are under 18, to ensure their safety they will be granted a visa only if there are arrangements in place for their accommodation, support and welfare.
- Their right to sign a written agreement with the provider before or as fees are paid, setting out the services to be provided, fees payable and information about refunds of course money. Students should keep a copy of the Written Agreement.
- Their right to receive the education they paid for. The ESOS framework includes consumer protection that will allow them to receive a refund or to be placed in another course if the provider is unable to teach their course.
- The students' right to know:
 - how to use the provider's student support services;
 - who the contact officer or officers are for overseas students;
 - if students can apply for course credit when enrolment can be deferred, suspended or cancelled;
 - what the provider's requirements are for satisfactory progress in the courses students study;
 - if attendance will be monitored for those courses; and

- at will happen if the student wishes to change providers; and how to use the provider's complaints and appeals process.

Students' Responsibilities

As overseas students on student visas, students have responsibilities to:

- satisfy student visa conditions'
- maintain Overseas Student Health Cover (OSHC) for the period of their stay'
- meet the terms of the Written Agreement with the provider'
- inform the provider if the student changes address;
- maintain satisfactory course progress;
- follow the Ballarat Clarendon College attendance policy; and
- if the student is under 18, maintain approved accommodation, support and general welfare arrangements.

It is a requirement that all overseas students, while studying at the school, must notify the school of his or her contact details including:

- the student's current residential address, mobile phone number (if any) and email address (if any);
- who to contact in emergency situations; and
- any changes to those details within 7 days of the change.

The Commonwealth Ombudsman can investigate complaints about problems that intending, current or former international students may have with private schools, colleges or universities (education providers) in Australia. The Commonwealth Ombudsman provides a free service, is independent and impartial, and does not advocate for the student or the provider—that means the Ombudsman does not take sides, can investigate your dispute and may recommend that your provider change a decision or action.
