

international students complaints handling policy

source of obligation

Standard 10 of the National Code requires the College to have and implement a documented internal complaints handling process and policy, and provide international students with comprehensive, free and easily accessible information about that process and policy.

It is the College's policy to provide access to the College's Complaints Handling Policy to our international students for both formal and informal complaints which are managed through the College's Complaints Handling Program.

The College will respond to any complaint an international student makes regarding their dealings with the College, the College's Education Agents or any related third party the College has an arrangement with to deliver the international student's course or related services.

lodging a formal complaint

To lodge a formal complaint, the international student or their parent/guardian must refer their formal complaint to our Complaints Manager.

Once the complaint has been received by the Complaints Manager, they will review the complaint and, where appropriate assign a relevant Complaints Officer to manage the complaint.

The Complaints Officer will inform the international student or their parents/guardians that the complaint has been received and the College will commence the assessment of the complaint within 10 working days from the date the complaint was lodged.

For more information, refer to our Complaints Handling Program.
