## What your donation will do for a child at Ballarat Clarendon College?

Ballarat Clarendon College is committed to providing as many scholarship opportunities as possible to enable students from all backgrounds to become a Collegian.

Our clarity and our passion about learning in every context allows us to attract and retain students who aspire to optimise their potential, to be the very best in everything that they do.

Your donation towards our Annual Giving Program will enable a child, who may not otherwise have the opportunity, to attend Ballarat Clarendon College. This donation is one of the most important gifts you can give a child - an education.

“For me, being able to attend Ballarat Clarendon College, is something extremely special. It’s definitely not something I take for granted and I thank the Brooks family every day for allowing me such an amazing opportunity.”

## Thomas McClelland Year 12, Geoff Brooks Memorial Scholarship

I grew up in a small town called Woomelang in Victoria. In 2005, I was unfortunately diagnosed with cancer and, despite a relapse, I am now in full remission! In 2015, I took a leap of faith and applied for a scholarship at Ballarat Clarendon College.

I was awarded the Geoff Brooks Memorial Scholarship and moved into the boarding house to start the next chapter of my life.

I wanted to come to Clarendon to give myself the best chance of making the most of my potential and to take advantage of the superb opportunities offered at the school.

I would not have been able to attend College if it had not been for the school’s scholarship program and the generosity of the Brooks family.

The scholarship completely changed my life. I am so honoured to be the recipient of the Geoff Brooks Memorial Scholarship and will be forever grateful for the opportunities it has provided.

I am currently completing Year 12 and I am proud to be representing the Boys Boarding House as one of the Leaders. Next year, I hope to continue studying and complete a Bachelor of Nursing in Melbourne.

My *heart’s desire* is to one day become a Paediatric Oncology Nurse at the Royal Children’s Hospital and spend the rest of my life helping children and families in need of medical care.

“We need people who share our passion for learning and who believe in the infinite potential of every child to support our Scholarship Program today!”

## Naming Opportunities at Ballarat Clarendon College

The Board has, in the past, recognised the generosity of those who have made significant donations by naming scholarships in their honour. Named scholarships are an important part of the long history of Ballarat Clarendon College and connect our current and future students with both the present and the past.

If you’d like to become a part of the school’s history, contact Communications @ Clarendon today to discuss your donation.

## A Gift in Your Will

A gift in your Will is perhaps the easiest way to make a significant and carefully planned gift to the school without it affecting your current circumstances.

Individuals, who inform the school of their intention to make a bequest to the school, will automatically become members of the Henderson and Kennedy Circle in order to recognise and thank members appropriately.
